Student Services

Fall 2021

Dear Class of 2022 Parents & Guardians,

Your student's senior year has begun! To assist your senior, Student Services staff is sharing some key information. A senior year timeline and a graduation credit check are included in this mailing.

Senior Presentation/College Visits - On August 20th, counselors gave a senior presentation regarding how to send transcripts, complete online applications, request letters of recommendation, submit ACT/SAT scores, write essays, and submit other supplemental forms. Though we are unable to have a College Fair this fall, seniors will have the opportunity to have virtual college visits with college, military, and career reps via our Naviance College Visits link.

Senior Credit Checks - A counselor will meet with each senior to discuss post high school plans and conduct a credit audit. Included in this correspondence is a form that notes which remaining classes your senior must successfully complete before graduation. The student is scheduled for these required classes. Please aid your student's success in these classes by regularly checking grades on Tyler and by communicating with teachers as needed.

Naviance, Transcripts, SAT/ACT Scores - Students have been trained, both in person and via email, on how to send transcripts via Naviance. **Please note that ACT and SAT scores** must be requested directly from ACT (www.actstudent.org) and SAT (www.collegeboard.org) when students complete college applications. Please contact Ms. Beamon (630) 636-2241 regarding transcript questions.

Scholarship and Financial Aid Information - Student Services emails the *Scholarship Newsletter* to our families via the Class of 2022 Student Services monthly senior email. This newsletter includes many current private, local, and national scholarships. It is updated for each publication. Information is also available on Naviance, in the College & Career Center, on the OEHS website, Twitter feed, Facebook Fan Page and Google Classroom.

Events - Additional events for parents are available throughout the year. These include FAFSA/financial aid information night, a FAFSA completion night, Conquering College Costs, etc. Information will be shared on the website, Twitter feed, Facebook Page, Google Classroom, through parent email, student school email, and the school newsletter. Dates are listed on the attached calendar.

FAFSA/Financial Aid Night is scheduled for September 16th from 6-7pm virtually. Although parents and students cannot begin to complete the FAFSA until October 1, a guest speaker from the Illinois Student Assistance Commission (ISAC) will provide information which reviews this FREE application and prepares students and parents for FAFSA completion. Lauren Waitt, our ISAC representative, is available virtually to meet with families one on one as well. Students can set up an appointment to meet with her through their counselor or Ms. Beamon in the College & Career Center.

Communication is important - Student Services sends informational emails to students and parents throughout senior year. Please update your email with us if you are not receiving the emails. Visit the Student Services website www.sd308.org/oehs for pertinent information and the scholarship newsletter. Please contact your senior's counselor via email or phone if you have a question. **Students should check their school email accounts.**

We look forward to a great senior year for your student.
