## Student Services

1525 Harvey Road, Oswego IL 60543

Fall 2022

Dear Class of 2023 Parents & Guardians,

Your student's senior year has begun! To assist your senior, Student Services staff would like to share some key information. A senior year timeline and a graduation credit check are included in this mailing.

**Senior Presentation/College Fair/ College visits** - On September 8th, counselors gave a senior presentation regarding how to send transcripts, complete online applications, request letters of recommendation, submit ACT/SAT scores, write essays, and submit other supplemental forms. Opposite this presentation all seniors participated in a College Fair in the Commons. Over 70 colleges and universities were represented. Military and trade school representatives were also present. Throughout the school year, all students have the opportunity to meet with various college, military, and career reps via our Naviance College Visits link.

**Senior Credit Checks** - A counselor will meet with each senior to discuss post high school plans and conduct a credit audit. Included in this correspondence is a form that notes which remaining classes your senior must successfully complete before graduation. The student is scheduled for these required classes. Please aid your student's success in these classes by regularly checking grades on Tyler and by communicating with teachers as needed.

**Naviance, Transcripts, SAT/ACT Scores** - Students have been trained, both in person and via email, on how to send transcripts via Naviance. **Please note that ACT and SAT scores** must be requested directly from ACT ([www.actstudent.org](http://www.actstudent.org)) and SAT ([www.collegeboard.org](http://www.collegeboard.org)) when students complete college applications. Please contact Ms. Beamon (630) 636-2241 regarding transcript questions.

**Scholarship and Financial Aid Information** - Student Services emails the *Scholarship Newsletter* to our families via the Class of 2023 Student Services monthly senior email. This newsletter includes many current private, local, and national scholarships. It is updated for each publication. Information is also available on Naviance, the OEHS website, Twitter feed, Facebook Fan Page and Google Classroom.

**Events** - Additional events for parents are available throughout the year. These include FAFSA/financial aid information night, a FAFSA completion night, Conquering College Costs, etc. Information will be shared on the website, Twitter feed, Facebook Page, Google Classroom, through parent email, student school email, and the school newsletter. Dates are listed on the attached calendar.

**FAFSA/Financial Aid Night** is scheduled for September 19th from 6:30-7:30pm at Oswego East in the PAC. Although parents and students cannot begin to complete the FAFSA until October 1, a guest speaker from the Illinois Student Assistance Commission (ISAC) will provide information which reviews this FREE application and prepares students and parents for FAFSA completion. Our ISAC representative, Maddie Haymond is available bi-monthly on Wednesdays in Student Services to meet with students starting on Sept 21st. Students can set up an appointment to meet with her through their counselor or Ms. Beamon in Student Services.

**Communication is important** - Student Services sends informational emails to students and parents throughout senior year. Please update your email with us if you are not receiving the emails. Visit the Student Services website [www.sd308.org.oehs](http://www.sd308.org.oehs) for pertinent information and the scholarship newsletter. Please contact your senior's counselor via email or phone if you have a question. **Students should check their school email accounts.**

***We look forward to a great senior year for your student.***
